

Abandoned Water Well Decommissioning Demonstration Ridgedale Community Hall October 25 2017, 1pm-4pm

We will meet at the Ridgedale community hall to learn about the importance of properly decommissioning abandoned water wells. Rob Walcer AScT, Senior Technologist, with Water Security Agency Ground Water Services, will discuss the process of decommissioning a water well. This will be followed by a live demonstration of a large-diameter well decommissioning completed by Chupa Trucking and Excavating.
